PACKING GUIDELINES FOR BOXIE24 STORAGE

Thank you for your reservation with Boxie24 Storage!

To ensure, that the pickup can take place, please prepare your goods:

Fill in the inventory list

Please list all storage items as detailed as possible. If you store boxes, please roughly describe the content per box. (e.g. "1 box with kitchenware", "2 boxes with clothes")

Use appropriate packing materials for your items

Please use bubble wrap and wrapping paper to protect your stored items. **We do not take any responsibility and we are not liable for any damaged goods as a result of improper packing.** If you need packing material, please let us know.

Pack everything in storage bins or cardboard boxes (no plastic bags!)

Smaller items must be packed in storage bins or cardboard boxes, ready to be picked up. **Do not pack anything in plastic bags.** In order to identify your boxes better for partial returns, please add numbers and a short explanation of their content to them.

Pay attention to the weight of your boxes and items

For heavier items, please try to use smaller cardboard boxes and do not pack too many heavy items in the same cardboard box. Also, let us know before the pickup if you have any heavy items that cannot be carried by two people.

Make sure mattresses and carpets are covered

For hygienic reasons, we kindly request that all mattresses and carpets are stored in a sealed bag or wrapped in plastic. Our drivers are only allowed to pick up mattresses or carpets without a cover, if we package them for you in our warehouse. **In this case, we charge a fee of 10€ per carpet/mattress.**

No food and no hazardous goods

Please make sure you do not store any food, perishable items or hazardous materials (e.g. firework, explosives etc.). In case we find any such in your storage, we reserve the right to dispose them.

Prepare your goods ready for Pick-up

You are responsible for packing and preparing your items so that our drivers can immediately pick them up upon arrival. Our drivers do not pack for you.

Thank you very much!
